Rules for the Guidance of Judging Committees of District Horse Shows.

I —Only *bona-fide* horse-breeders of the districts named will be allowed to compete for the above prizes. The Judging Committee will decide as to the eligibility of competitors.

II.—A branded mare of 4 years of age, in foal, or with foal at foot, the result of having been covered before 4 years of age, will not be eligible to compete. As foals are usually weaned at the age of six months, branded mares with foals at foot by Government stallions, will not be eligible to compete in class I (*b*) after the foal in question has attained that age. Foals over 6 and under 12 months old may compete in Class VI.

III.—Branded Mares proved to be barren, *i. e.*, mares that have not held to Government stallions for the last two years, will not be eligible to compete.

IV —No mares or stock will be allowed to compete as "served by Government stallions," or "got by Government stallions," unless a certificate to that effect is produced by the exhibitor These certificates are obtainable from Officers in charge of stallions.

V —Branded fillies (Class II.) if out of branded mares by Government stallions, may also compete in "Class III, Fillies."

VI —Geldings (Class VI.), if out of branded mares by Government stallions, may also compete in "Class V. Yearlings" (Colts) and in "Class IV. Remounts," if *purchased* at the Show for Government, Army and Police purposes.

VII.—Intending exhibitors should, on arrival at the Show, apply to the Secretary of the Judging Committee for a ticket or tickets, as the case may be, stating the class in which they propose to compete.

VIII.—Each ticket will be worn by the animal as a token of the right to compete.

IX.—When the tickets are given, the Secretary will name the date, hour and place at the Show when and where horses should be brought for examination. A shamiana, or large tent, or shed, to afford shade to the Committee, within a temporary rail enclosure, should be erected, to allow of the Members to carefully examine the stock. The public should not be permitted to enter the enclosure during the Committee's proceedings.

X.—Prizes will be awarded on the day appointed by the President of the Judging Committee.

XI.—A certificate (parwana) will be given to each winner, whether he takes his prizes in money, khillut, or medal, as he may think best.

XII.—One or more of the District Officers of each district represented, and the Superintendent, Civil Veterinary Department, will act as Judges of the Committee.

XIII.—Discretion is to be used by the Judging Committee in awarding only a portion of prizes to any class, if the stock of that class be not considered worthy of all prizes noted; and the money not awarded may be devoted to the giving of extra prizes in other classes deemed, by the Judging Committee, as worthy of them; as it is the desire of Government to award the total sum granted, provided any of the classes of stock competing are in any way worthy of it.

XIV.—The system of marks will be adopted as follows:—

For Mares.		**All other Stock.**	
Soundness	... 25	Soundness	... 25
Power	... 25	Power	... 25
Quality	... 25	Quality	... 25
Produce at foot ...	... 25	Action	... 25
Total	100	Total	...100

If no produce, the total will be 75

Practical soundness in a horse, shall however be the *sine qua non* for taking a prize, and should not merely count equally with other points of merit, it is therefore ruled that any animal that does not obtain 15 of 25 marks for soundness, will be debarred from getting a prize.

Marks for "action" have not been accorded to mares, as some competing may be too heavy in foal to allow of their action being shown. The Judging Committee are requested to be good enough to attach a return to their reports, showing the number of the several marks allotted to winners of prizes.

NOTE—1. To enable a horse to become eligible to compete in the "Gelding" class, both testicles must have been excised.

2.—The prizes allotted to the "Gelding" class are to be invariably awarded to the best competing. Prizes in this class to be awarded only to stock that have been castrated when in possession of their present owners, *bona-fide* horse-breeders, and provided the Judging Committee are satisfied the animals have been castrated with a view of competing for the prizes.

3.—In the North-Western Provinces, approved mares and fillies were up to the year 1877, branded V. R.; since that time they have been branded V. I. In the Punjab, approved mares and fillies were, up to the year 1885, branded B. M.; since that time they have also been branded V. I. In the Bombay Presidency, Sind and Beluchistan, approved mares and fillies are branded . The brand will be found either on the off or near shoulder or on the saddle place.

4.—In case of Remounts not being purchased for one branch of the service of the class for which prizes are offered, the prizes for that class will be added to the prizes offered for Remounts of the other branch of the service. For instance:—If no Remounts, over 3 years of age, are bought for the British service, the prizes will be added to Native Cavalry Remounts over 3 years of age, and *vice versa*.

5.—It has been found that, in districts where private Studs are maintained by comparatively rich men, several prizes in the same class are, in many cases, awarded to the same owner; and the poorer breeders do not receive so many prizes as they otherwise would; it is therefore ruled that each private Stud competing be restricted to only one prize in each class.

6.—Owners of stock, from branded mares by any sires which may have been approved by the Officers of the Civil Veterinary Department, and which are the property of District Boards, Native Chiefs, and other native gentlemen, are permitted to enter such stock in competition for Government prizes. Certificates in the prescribed form affording proof of the eligibility of such stock to compete for Government prizes, should invariably be produced by owners.

7.—The following Rule to be observed in ageing horse and mule stock competing for prizes:—

"Foal at foot"	...	... From date of birth to 6 months old.
"Foal"	...	... Over 6 and under 12 months old.
"Yearling"	...	... 12 months to under 24 months old.
"Two years old"	...	... 24 months to under 36 months old & so on

D.

Rules for the Guidance of Judging Committees of Metropolitan Horse Fairs.

I.—Only *bona-fide* horse breeders and dealers will be allowed to compete for the above prizes. The stewards will decide as to the eligibility of competitors.

II.—Geldings may also compete in "Class II. Remounts," if purchased at the Fair for Government, Army and Police purposes.

III.—Government horses will not compete, nor will Government claim the right of purchasing any stock exhibited.

IV —Intending exhibitors should, on arrival at the Fair, apply to the Secretary of the Judging Committee for a ticket, or tickets, as the case may be, stating the class in which they propose to compete.

V —Each ticket will be worn by the animal as a token of the right to compete, and of the seller's right to the prize, if sale is effected before the awards are made. By careful attention to this rule the owners will secure against losing the chance of a prize.

VI.—When the tickets are given, the Secretary will name the date, hour and place at the Fair, when and where horses should be brought for examination. A shamiana, or large tent, or shed, to afford shade to the Committee, within a temporary rail enclosure, should be erected, to allow of the Members to carefully examine the stock. The public should not be permitted to enter the enclosure during the Committee's proceedings.

VII.—Prizes will be awarded on the day appointed by the District Officer, or the Officer in charge of the Fair.

VIII.—A certificate (parwana) will be given to each winner, whether he takes his prizes in money, khillut, or medal, as he may think best.

IX.—Honorary certificates will be awarded to exhibitors who are not *bona-fide* horse breeders and dealers, and who may show superior animals. On the certificate may be noted the prize and money value that would have been awarded to the animal, had the owner been a *bona-fide* horse-breeder or dealer.

X —A Committee of experienced Officers, appointed by the Local Government will act as Judges. The Superintendent, Civil Veterinary Department of the Province, will attend the Committee as Member and Veterinary Adviser. In his unavoidable absence, the services of a Veterinary Officer will be provided under the orders of the Government of India.

XI —Discretion is to be used by the Judging Committee in awarding only a portion of prizes to any class, if the stock of that class be not considered worthy of all prizes noted; and the money not awarded may be devoted to the giving of extra prizes in other classes deemed, by the Judging Committee, as worthy of them; as it is the desire of Government to award the total sum granted, provided any of the classes of stock competing are in any way worthy of it.

XII.—The system of marks will be adopted as follows:—

Practical soundness in a horse, shall however be the *sine qua non* for taking a prize, and should not merely count equally with other points of merit; it is therefore ruled that any animal that does not obtain 15 of 25 marks for soundness, will be debarred from getting a prize.

The Judging Committee are requested to be good enough to attach a return to their reports, showing the number of the several marks allotted to winners of prizes.

NOTE 1.—To enable a horse to become eligible to compete in the "Gelding" class, both testicles must have been excised.

2.—The prizes allotted to the Gelding class are to be invariably awarded to the best competing. Prizes in this class to be awarded only to stock that have been castrated when in possession of their present owners, *bona-fide* horse breeders, and provided the Judging Committee are satisfied the animals have been castrated with a view of competing for the prizes.

3.—In case of Remounts not being purchased for one branch of the service of the class for which prizes are offered, the prizes for that class will be added to the prizes offered for Remounts of the other branch of the service. For instance:—If no Remounts, over 3 years of age, are bought for the British service, the prizes will be added to Native Cavalry Remounts over 3 years of age, and *vice versa*.

.—It has been found that, in districts where private Studs are
ined by comparatively rich men, several prizes in the same
e, in many cases, awarded to the same owner; and the poorer
do not receive so many prizes as they otherwise would; it is
ruled that each private Stud competing be restricted to only
in each class

wners of stock, from branded mares by any sires which
en approved by the Officers of the Civil Veterinary
ent, and which are the property of District Boards, Native
, and other Native gentlemen, are permitted to enter such stock
competition for Government prizes. Certificates in the prescribed
form, affording proof of the eligibility of such stock to compete for
Government prizes, should invariably be produced by owners.

6.—The following Rule to be observed in ageing horse and mule
ock competing for prizes:—
